

Wall Washer Series

PIXEL LED BEAM BAR Light

YR-LB0340T

Working parameters

Voltage: AC100V-240V 50/60HZ
Rated power: 80W

Light source parameter

Light source: 40*3W RGB three-in-one LED
multi-chip light source

Effect parameters

Angle: 3 degrees
Display: LED digital display
Signal connection: 3-core XLR signal input and output
Power socket: card faucet power in and out
Lifespan: 50000 hours
Color temperature correction: linear color temperature
correction 6000K-7000K
Strobe: Strobe 1-25Hz

Control parameters

DMX channel: 3/4/6/7/8/12/13/24/25/60/61/120/121
channel 13 modes optional

Control parameters

DMX channel: 3/4/6/7/8/12/13/24/25/60/61/120/121
channel 13 modes optional
Control mode: DMX512, master-slave mode,
self-propelled, voice control

Security parameters

Working environment: Below 40°C
IP Rate: IP20

Packaging parameters

Product Size:100*22*19cm
Net Weight:2.5kg
Packing Size:106.5*32.5*18
